Featured Speakers: Contact: Lukas Salyer

Mark LaLiberte - a distinguished trainer, author and consultant, devoting over two decades to educating the home building industry about the benefits of constructing durable, energy efficient, healthier, more sustainable homes. Mark travels nationwide, reaching more than 6,000 builders, architects and manufacturers annually. His presentations are a high-energy blend of technical expertise and hands-on practicality. Mark has been featured at leading industry events such as the NAHB International Builders Show, PCBC, West Coast Green, AIA National Conferences, Green Build and JLC Live Conferences.

Cheryl Stubblefield Durst - Cheryl S. Durst, Honorary FIIDA, LEED AP, is Executive Vice President and CEO of IIDA. She leads the Board and Members of the International organization and champions and elevates the profession of Interior Design and its practitioners. Part of the IIDA HQ team since 1997, Cheryl started her career in sales at Knoll and marketing at The Washington Design Center. Cheryl is a sought-after speaker on "The Future of Design" and other explorations into Design, and lives up to the strong reputation she's developed for keeping design savvy and built environment audiences enlightened and inspired.
